

Faculty Profile Ram Lal Anand College, University of

Title	Dr.	Name :	Sarbari Nag	
Department	Geology			
Designation	Assistant Professor			
Email	rlac.du@gmail.com ; principal@rla.du.ac.in			
Institutional Web page	https://rlacollege.edu.in/images/Prof%20Rakesh%20Gupta%20Profile.pdf			
Google Scholar ID	https://scholar.google.com/citations?hl=en&authuser=1&user=p6GXX6cAAAAJ			
Research Gate ID	https://www.researchgate.net/profile/Sarbari-Nag-2/research			
ORCID ID	https://orcid.org/0009-0002-7526-7693			
Researcher ID	KGM-4678-24			
Vidwan ID	https://vidwan.inflibnet.ac.in/myprofile			
Educational Qualifications				
Degree	Institution			Year
Ph.D Geology	University of Delhi			1997
M.Sc Applied Geology	University of Delhi			1992

Permanent/ Temporary/ Contractual/ Adhoc Teaching Experience					
Designation	Institution	Duration	From	To	Nature
Assistant Professor	Ram Lal Anand College, University of Delhi	3 years	16.1.23	Till date	Permanent
Assistant Professor	Ram Lal Anand College, University of Delhi	14 Years, 5 months 15 days	2008	2023	Ad-hoc
Lecturer	Department of Geology, University of Delhi	2 Years	2005	2007	Ad-hoc
Lecturer	Shah and Anchor Kutchhi College of Engineering, University of Mumbai	3 Years	1997	2000	Permanent
Industry Experience (If any)					
Designation	Company	Duration	From	To	
Research Experience					
Designation	Institution		From	To	
Administrative Assignments					
Been teacher in charge multiple times, Have been preparing time table of the department, streamlined preparation of internal assessment of the department, been active participant in acquiring instruments and teaching aids for the department, been active participant of different intra-college committees, been in charge of North East Society of the college consecutively for three years, successfully completed innovative project on pollution of water bodies that culminated in poster presentations by students at different platforms and paper presentation and publications by self .					
Areas of Interest / Specialisation					
Petrology, Mineral Science, Economic Geology					
Subjects Taught					

Mineralogy/ Crystallography, Ore geology, Economic Geology, Igneous Petrology, Metamorphic Petrology, Geochemistry, Mineral Exploration, Urban Geology, Structural Geology,
Research Guidance (if any)
Guided students for Summer Internship Guided students for innovative project funded by the University of Delhi, presentations by them at Antardhwani 2014, 2015, poster presentations at different platforms related to innovative project.
Research Projects (Major Grants/Research Collaboration)
Completed University of Delhi funded Innovation project (RLA- 205) on water pollution in collaboration with teachers and students of Geology, Statistics and History and commerce departments of the college. Innovation project funded by University of Delhi (RLA on Geotourism and Entrepreneurship involving teachers and students of Geology and Statistics departments of the college

Sarbari Nag, Prabhas Kumar Pande (2015) Effect of idol immersion on water quality of Yamuna River in Delhi and its potential influence on ground water quality. Indian Journal of Geomarine Sciences, Vol. 44(10), 1545-1553. Sarbari Nag (2008) Harnessing Geothermal Energy in Proceedings of National conference, “Physics in the Quest of Alternative Source of Energy” at Moti Lal Nehru College, University of Delhi, New Delhi 21, . R.K. Verma, P.K.S. Chauhan, William K. Mohanty, Sarbari Purkayastha (1999) An analysis of seismicity, maximum magnitude and acceleration for Kashmir, Punjab, Kumaon and Garhwal Himalaya region. Himalayan Geology, Vol. 20(1). S. Purkayastha, P.K. Verma, A.K.Jain, R.M. Manickavasagam, T.K.Ghosh,(1999) Growth and rotation of porphyroblasts and development of shear/extensional foliation in Baggi-Mandi-Pandoh

region, Western Himalaya- implications on the Himalayan tectonics Gondwana Research Group Memoir, Japan, 6, 125-133.
Patents
Chapters in books and e-chapters (Published)
S.Nag, S.Sengupta and P.K. Verma (2005) Is muscovite in the Mandi Granite Primary? A guide to distinction between the lower Paleozoic and Tertiary granites of the Himalayas. In Metamorphism and Crustal Evolution. Ed Harel Thomas, Atlantic Publishers and Distributors, ISBN 81-269-0436-4.
Conference Organisation/ Presentations
Coordinated Skill Enhancement course on “Evolution of the Himalayas and Integration of GIS Studies using Q-GIS Software & R Programming Language”. Organized lectures by eminent scientists from various organizations and institutions in the country. Organized Tier III Training on “Groundwater Management and Rainwater Harvesting to Recharge Groundwater and Groundwater Management by Central Ground Water Board, CGWB.
Awards and Distinctions
Association With Professional Bodies
Member, Geological Society of India
Other Activities
Lectures recorded on Petrology course for Swayam portal
